LOCAL PLAN (CUBBINGTON) P42/43

1. Bus service No.68 runs every 30minutes until evening.
Weston has 2 a day which pass along Rugby road. NO USE.
No service every 13 minutes as is claimed!
2. re the allotments (I am not a user)
Why move them? The plan shows a triangle which was allotments presumably before houses were built. Why not use the gap between these as access and build there? If you build on site 1 you will ruin a public amenity used for many years and fertilised over time. A new site will not be productive for years.
 - a. Where will it be?
 - b. How many plots?
 - c. Will the sheds be moved?
 - d. Will the plots be prepared, rotavated and manured? (New soil is not as workable as the old areas.)
3. How much affordable housing, part buy/part rent will there be on sites 1 and 2? ~~The~~ request is for 75%. Someone tells me that 7 dwellings are already planned for building now on site 2.
They are not on the plan. Why?
4. Why not build affordable housing on ex Ford Foundry site. I know that this is "Industrial"—so what?

Ref Item 1. What else have you got wrong.
