Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I object to the development of site No 1 (East of Church Lane) on the grounds that it will greatly spoil the attractive rural heart of the village. I am also concerned about the impact on traffic load around the junction of School Lane and Radford Road.

I also object to the development of site No 4 due to the impact of heavy construction traffic along School Lane. This would be very dangerous for the pupils of the Primary School and their parents who drop-off & collect them.

It is clear that development is inevitable, and that sites 2 & 3, or just 2 would have the least impact on the existing village & its residents. I RECOMMEND SITE No's 2 & 3.
