I consider the proposal to build 100 houses on the preferred option (1) on the field at the back of Offchurch Lane completely unacceptable. The junctions with Offchurch Lane (very dangerous already, young girl suffered a broken leg after being hit by a van at around 6pm on Monday near the white lion, she was on the main road in slow moving traffic.) The other junctions at School Lane, Church Lane, Kingshurst + 2 private roads at top of hill would make access + flow even more dangerous than it is already.

With the proposed development at Sutham + existing traffic from surrounding villages, plus all the articulated lorries + delivery vans etc, it would be intolerable!

My preferred options are SITES 2 + 3 any traffic problems could be sorted out. It would become part of our village so presumably the speed limit would be reduced.
