Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

We recommend site Nos 2 & 3

We object to Site 1 because of its impact on the view both of the church and the rural view by the church from the main road.

We also object to Site 1 because of the considerable adverse traffic impact ^{in the village} and the queues caused on the Southam and Radford roads by the necessary traffic lights that would need to be installed.
