This is a ridiculous idea - there is no viable access onto Southam Rd ~~by~~ within the village. The traffic is dangerous already - we have had a pedestrian crossing put in because of this. Traffic has ↑ by 45% in recent years. The developer will be sued for any damage to property and also for car accidents.

Sites 2 + 3 are much preferred by the village. Unless you are being forced by someone else to choose site 1 - why would you?

Please use sites 2 + 3 which are much preferred by all.
