What is the nature of your representation?

Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

1. As a resident of School Lane I object to it being made harder to join the Main Southam Road due to extra traffic at School Lane/Church Lane Junction.
2. The different style of housing next to original village homes as you drive through the village. Also the view of the church from the main road will be effected.

I recommend plots 2 & 3.
3. I'm not against the villages need to expand so I think plots 2 and 3. would be more suitable for expansion.

These plots can be hidden behind trees and hedges so as not to stand out too much without block any views of historical buildings.
