I believe that the central part of the village around White Lion / Southern Road should be protected from development.

This area represents the best of Radford Semele in terms views, history, character and must be protected so that future generations can enjoy this space as we all do today.

The separate identity of Radford Semele is important otherwise it will become a residential suburb of Leamington Spa.

I recognise that it is Government Policy which is driving the housing policy not a local need.

Traffic density at key times in the day is a problem for working people. Additional housing on sites 3 & 2 would have much less impact than Site 1. Development on site 4 is opposed for traffic reasons & joining Leamington Spa & attractive open countryside should be protected.

I oppose Site 1 and 4. Site 3 only would be my first choice.
