Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I object strongly to the plan to spoil the centre of Radford Semele by inappropriate development close to two important Grade II listed buildings.

I acknowledge the real need for additional housing, and I recommend the use of sites numbers 2 & 3. This was the original proposal from our Parish Council; considerable effort went into this selection, and the local Parish Council and residents surely must have the best in depth local knowledge.

I also wish to express my concern about the various developer activities. I would not like to think that they are trying to influence the planning process in pursuit of their own objectives.
