Dear Sir

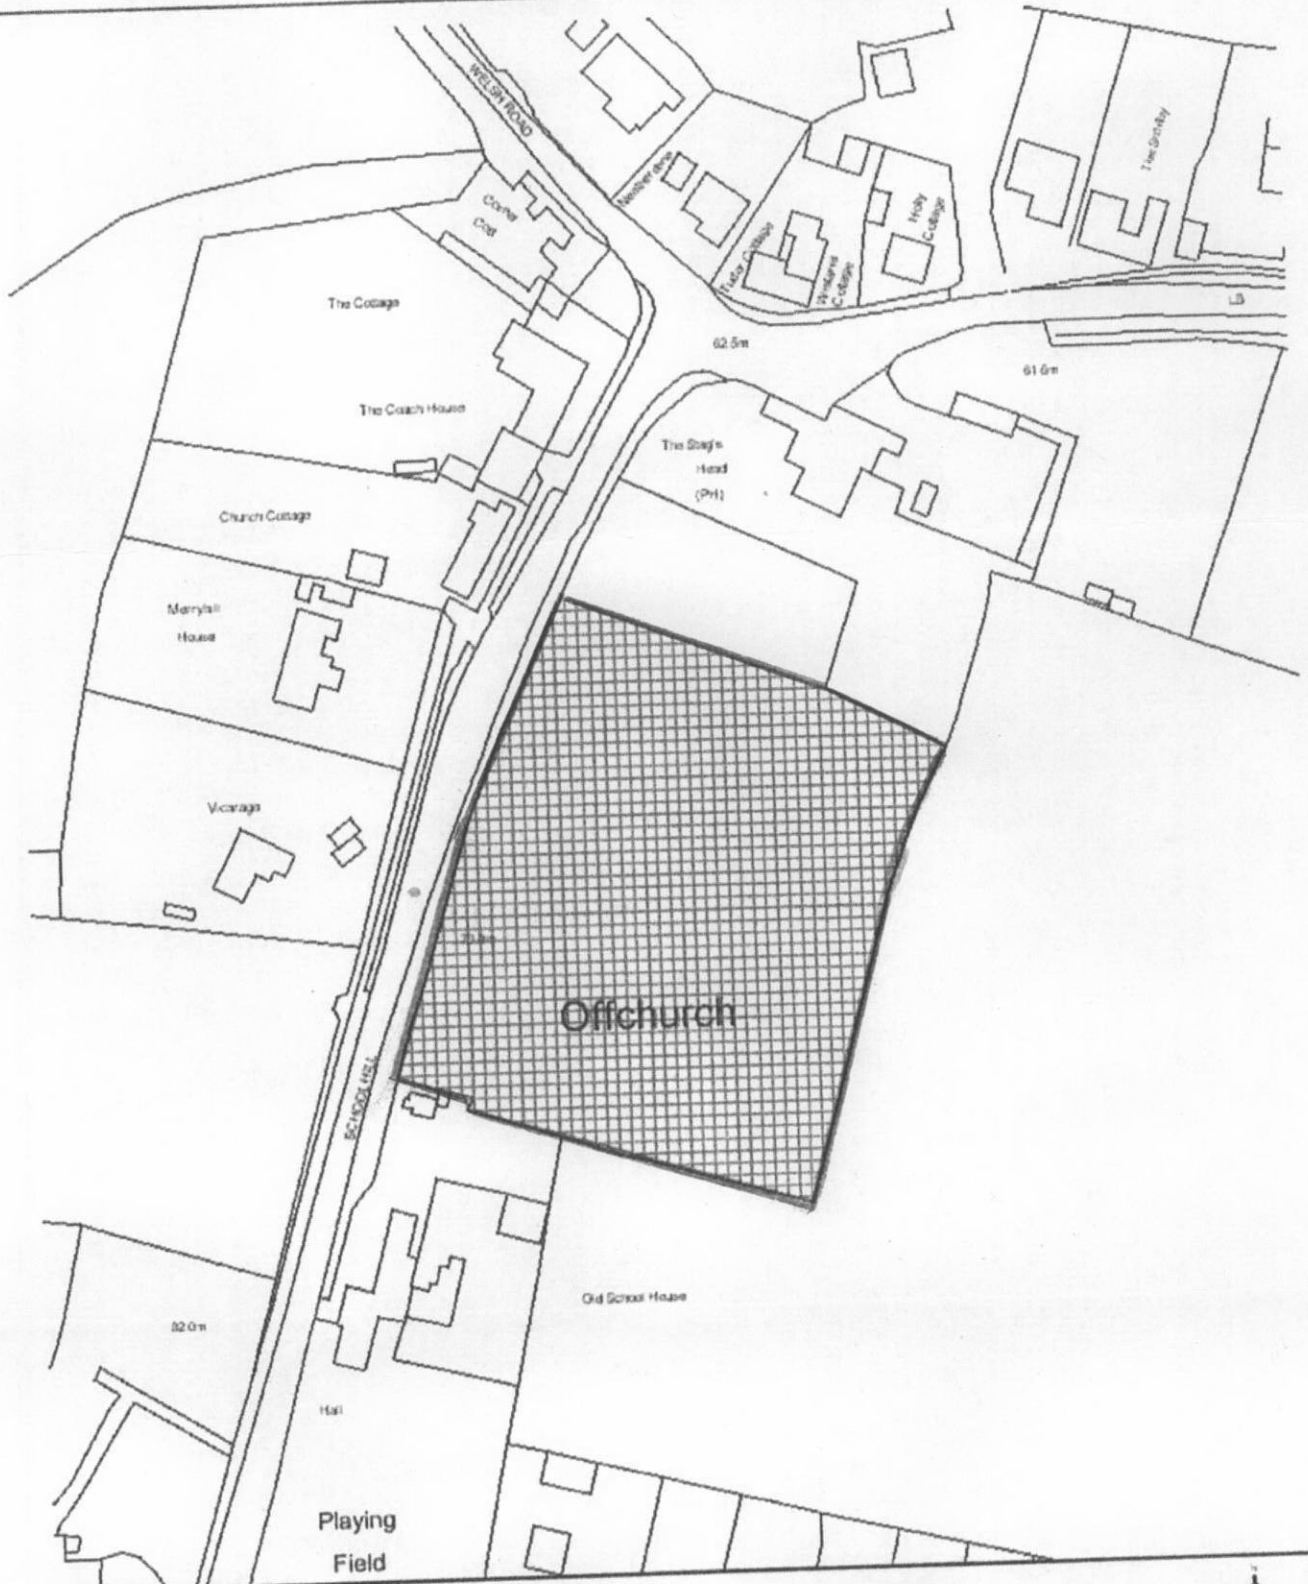

Having received your letter dated 5th december 2013 about the Warwick District Local Plan: Village Housing Options & Settlement Boundaries & having looked on your website at the proposed three options for Offchurch, I would like to put forward for your consideration for development a field that I own which lies in between the School House & the Stag Public House, it has its own vehicle access from School Hill & is approximately 1.75 acres. Please find enclosed a map showing the field outlined in red.

Looking forward to your reply at your convenience & if you require any further information please do not hesitate to contact me.

Yours faithfully
Mr D Chiles
