What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

The site is in Green Belt land
 The local area is countryside with rural setting & it is a quiet area. Having a gypsy & traveller site will be highly visible visually & audibly & will be very noticeable in such a quiet area & would be detrimental on such an important approach ^{to Warwick town}
 The road is busy & an accident hotspot. Additional vehicles & movements will be very hazardous
 There are few local facilities. Just a garage shop for sandwiche & oysters

Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet of

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

GT alt 01 Brookside willows is not Green Belt

GT alt 02 is green belt but has been previously developed

GT 05 is not in green belt

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
