The following response has been based on the consultation spreadsheet and on subsequent discussions between Warwickshire County Council (WCC), Warwick District Council (WDC) and Myton, Campion and Kenilworth Schools.

1. Myton and Campion

In principle, from an educational perspective, WCC supports an approach based on the expansion of Myton and Campion Schools to meet the need for places in Warwick. However, the questions of viability and deliverability of the proposals set out in the plan are yet to be resolved, including the acquisition of land for expansion.

WCC will continue to work with the District Council and both schools towards successful resolution of these issues, but seeks assurance from WDC that it will prioritise education funding through the Community Infrastructure Levy to ensure deliverability (as discussed in a meeting on 10 June 2014) which should not be at the expense of other infrastructure needs. WCC seeks further assurance that, should the project not be achievable, an alternative plan is in place to allow WCC to meet its statutory duty to provide school places.

Continued on separate PDF

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. **After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**
