Dear Mr Barber,

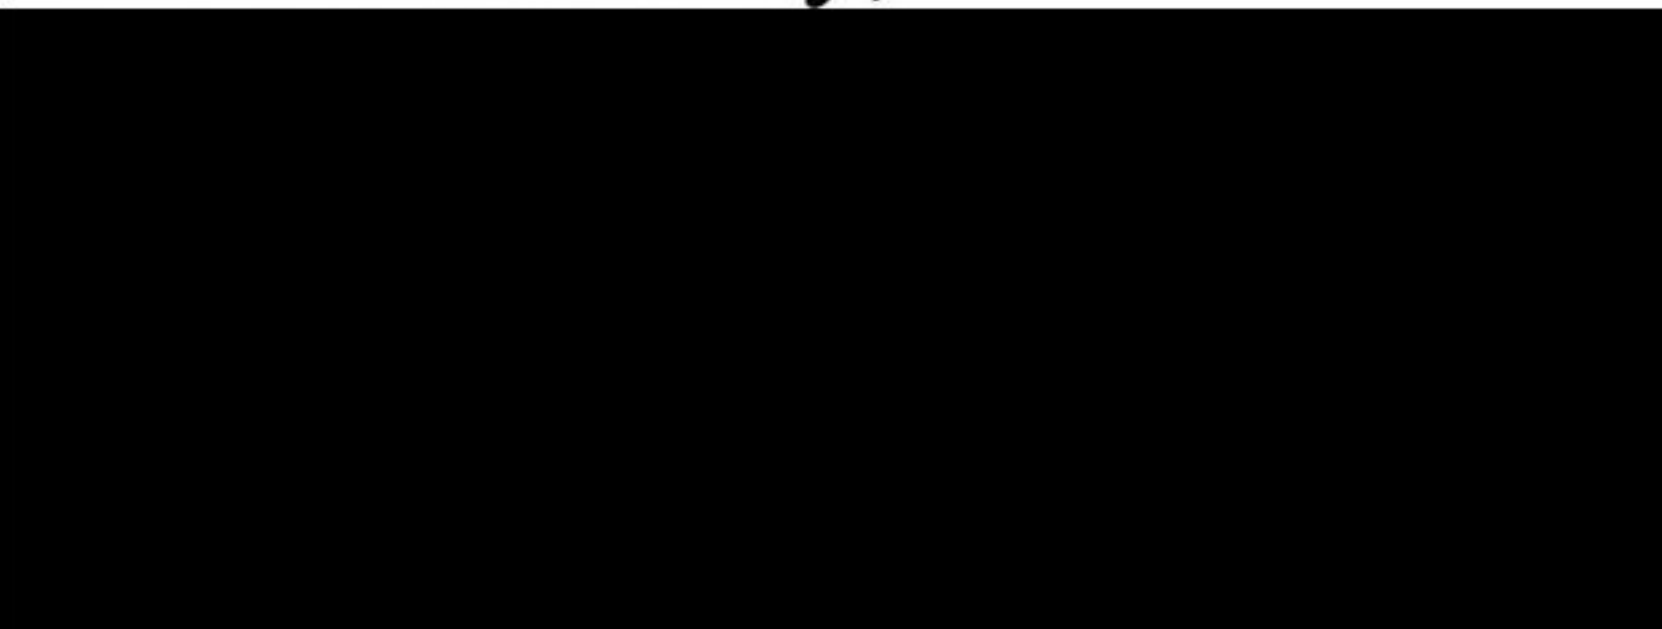

Local Plan: Publication Draft Representation

Thank you for your email of the 26th June 2014 in which regard I do apologise for my confusion in respect of your name and that of your colleague Dan Robinson.

I have enclosed a CD enclosing this letter, a scanned copy of the completed proforma, a copy of the supplementary submission documents and a copy of our previous submission in PDF format. I have also included comparative sections of the May 2014 Matrix.

Yours sincerely,

Dr Paul Thornton
