Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;
and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

I think that this is a perfectly ridiculous idea. Landowners have not been consulted. Access to the site would be via our own private farm track which is totally unsuitable for the access of many vehicles. From overlooking green fields with the Severn Trent depot spoiling the far view, we are now expected to lose our privacy altogether and overlook a camp site. My husband and I are very angry and your planning department's retort was "tough". What sort of attitude is that. I certainly will not be voting for you again.
