

K White,  
Forbes St  
WARWICK

Dear Sirs

I am writing with objections to the gypsey site on the Stratford Road.

When they have 'visited' before there has been unnecessary waste, residents have felt intimidated.

The Stratford Road is main road for tourists coming to Warwick. Will this effect the tourism trade the town relies on.

Why has the Stratford Road been considered over other locations. When this was previously not one of the suggested sites.

Yours faithfully
