

Dear Sir

Stratford Road Gypsy and Traveller
Preferred Site

I am writing to object to the Preferred Options site of land at Stratford Road Warwick for a Gypsy and Traveller site

I do not support the option for the following reasons:-

- 1) too near the Sewage Treatment Works
- 2) within Flood Zone
- 3) there would be an increase in traffic in Stratford Road
- 4) concerned about security.
- 5) Inappropriate development would spoil the entrance to the County Town of Warwick.
