## Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;  
and
- e) there is potential for the site to be adequately screened.

During the summer of 2013 travellers arrived on the edge of our estate (Warwick Chase Meadow) on the right of the Stratford Road.

The whole area was transformed into a quagmire of rubbish, scrap, faeces and you name what you don't want to see and it was there.

The travellers were all over the estate, begging and making trouble.

Crime rates must have increased. The children from the filthy site were very rude and very scary and it was impossible to go for a walk alone or with my grandchildren.

Do I want this by me permanently no I do not. Would you?

I am 66 years old and do not want to be scared to open my front door or walk to the local shops. I want to feel safe in my home.

If there was any indication of planning for this site when I had my searches done one year ago I would NEVER have bought this house. Its expensive to move again and I can't afford to do that, are you going to help with the finance for me to move away if this goes ahead, no you will not. All these beautiful big homes here, mine is small, will lose their value. There are many many families on this estate and you will be putting all of their safety at risk if this site goes ahead. I am sure you have had a huge negative response to this site.

Do you imagine anyone living here wants this site, No No No No.

Find somewhere for them away from places that crime cannot be committed with such ease.  
PLEASE.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:

My suggestion is to put a site away  
from large housing estates.
