## Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met; and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation?      Support       Object      Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

A Both Newburgh and Aylesford schools are full to capacity and cannot take any more pupils. Chase Meadow surgery is also full (it can take 3 weeks to get an appointment) and is struggling to cope; in addition new houses are being built at an alarming rate which will only make matters worse. The area simply cannot cope with any more people.

B The ~~site~~ farm track is not suitable for caravans and heavy vehicles and the entrance to the busy Stratford Road is on a bad corner and not suitable for the proposed use.

C The site is too near the M40 which causes air pollution and contravenes government guidelines. It is also too near the sewerage works which from time to time smells dreadful. The site is also on a flood plain which floods from time to time.
