## Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;  
and
- e) there is potential for the site to be adequately screened.

Having very recently moved to Chase Meadow, I am deeply concerned that a proposed Gypsy and Traveller site is so near to my new home I was so thrilled with. Had I known of this proposal before my purchase this would not have gone ahead. I have had quite a bit of experience of the ways of the travellers and their filth. The most recent at Chadwick end where the village hall car park is which they invaded is now unusable as it so badly contaminated. Boarsale they have now wrecked greenfield. Lots of people in this area have had

their oil taken from tanks. And of course the recent invasion on the Stratford Road Warwick

I appreciate a permanent site may be taken care of but I do think this site which is off the main tourist road into Warwick, the nearness of the river and bypass and of course is on a flood plain is not advantageous to Warwick. Locally the schools and doctors will be affected

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
