Dear Sir/Madam

## **BARFORD DRAFT NEIGHBOURHOOD PLAN CONSULTATION**

Thank you for giving the Highways Agency the opportunity to comment on the above referenced documentation.

The Highways Agency is responsible for the operation and maintenance of the strategic road network in England, which includes all motorways and major trunk roads.

We have reviewed your documents and feel that the policies contained therein are an appropriate approach to ensuring the necessary planned development growth within Barford. In view of this the Highways Agency is content with your Policies in so far as they might affect the operation of the strategic road network. The Agency therefore supports the proposals without further comment.

Please feel free to contact me if you wish to discuss this response in more detail.

Yours sincerely
