(Please tick)

Positively Prepared:	<input checked="" type="checkbox"/>
Justified:	<input checked="" type="checkbox"/>
Effective:	<input checked="" type="checkbox"/>
Consistent with National Policy:	<input checked="" type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

The Club do not consider this modification to adequately either protect or consider the potential for development of the Club's infrastructure to sustain its community sporting and social offer to existing and future residents of Warwick DC nor Coventry CC. In not doing this the proposed modification does not meet the NPPF requirements under:

- 152. to achieve social dimensions of sustainable development and net gains and creates the potential for a significant adverse impact on the social dimension which should be avoided;
- 154. setting out the opportunities for development and clear policies on what will or will not be permitted and where;
- 155. reflect a collective vision and a set of agreed priorities for the sustainable development of the area,
- 157. Crucially, the plan does not plan positively for the development and infrastructure required in the area.
- 171. take account of the health status and needs of the local population (such as for sports, recreation and places of worship), including expected future changes.

There is also an inconsistency with then with the levels of detail provided under modifications 26 and 27.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

With reference to 'Land at Kings Hill' should be revised as follows:
Potential for some employment land; potentially land for secondary school provision; new primary schools; local centre and community facilities (including the retention and expansion of the Alvis Sporting Club); health centre; new rail station.

This then helps to meet the issue raised in 7 above.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary
