(Please tick)

Justified:	<input type="checkbox"/>
Effective:	<input checked="" type="checkbox"/>
Consistent with National Policy:	<input type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

This representation is made on behalf of Warwickshire Police and West Mercia Police (the Alliance), in respect of their landholdings, the Former Warwickshire Police HQ site. The site lies on the western edge of Leek Wootton, which is identified as a Growth Village– that is, one of the District’s most sustainable rural settlements – within the Publication Draft Local Plan. It is allocated for housing through Policy DS11.

This representation broadly supports the proposed modifications to Policies Map 12, which are required to support comprehensive development of the Former Warwickshire Police HQ site.

In this respect, the Alliance support the amendment to the Growth Village Envelope to reflect proposed modifications to Policy DS11 in respect of the Former Warwickshire Police HQ site, comprising deletion of three separate allocations (Ref: H34, H35 and H36) and inclusion of a single allocation encompassing the wider site (Ref: DSNEW3), together with an associated amendment to remove additional land from the Green Belt in line with Policy DS19.

Continued on separate sheet

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

In order to be sound, land at Broome Close, indicated red on the enclosed Local Plan Policies Map should be omitted. This land is not within the Former Warwickshire Police HQ landholding, to which the masterplan under proposed modification Policy DS NEW3 is to relate. Consequently, it should be excluded for Policy DS NEW3 to be deliverable, and thus, effective.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

The Alliance wish to participate in the oral part of the examination in order to assist the Inspector in achieving a good understanding of the merits and potential of the Former Warwickshire Police HQ site allocation, and to respond to any concerns or objections raised.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

Modification or SA: Modification

Mod Number: Mod 19

Paragraph Number: Policies Map

Mod Policies Map Number: 12

Q7 Continued

These amendments reflect that since the preparation of the Publication Draft Local Plan the Alliance has declared the entire Former Warwickshire Police HQ site surplus to operational requirements, and that its development for housing represents a logical and natural extension to the Growth Village of Leek Wootton. The amendments will also support the site coming forward in a comprehensive manner.

The Alliance also broadly supports the proposed modification that identifies the masterplan area, which encompasses the entire site including the woodland. However, in order to be deliverable, and thus effective, it must reflect proposed modification Policy DS NEW3 and only include the Former Warwickshire Police HQ landholdings. In this respect, it currently includes land at Broome Close that is not within the Former Warwickshire Police HQ site. Land at Broome Close will be taken into account in the masterplanning process, and detailed design stage, for example, in respect to the living conditions of the occupiers. However, as it is not within the landholding of the Alliance it cannot directly form part of the Masterplan.
