This representation is made on behalf of Warwickshire Police and West Mercia Police (the Alliance), in respect of their landholdings, the Former Warwickshire Police HQ site at Leek Wootton. The site lies on the western edge of Leek Wootton, which is identified as a Growth Village – that is, one of the District’s most sustainable rural settlements – within the Publication Draft Local Plan. It is allocated for housing through Policy DS11.

This representation supports the proposed modification Policy DS NEW3, which inserts a site specific policy for the Former Warwickshire Police HQ. This policy was prepared in consultation with the Alliance, in order to ensure the site is brought forward in a comprehensive, and planned, manner through a masterplan.

In accordance with proposed modification, the Alliance is pursuing a masterplanning approach. This is underpinned by an extensive technical evidence base, with further work underway comprising a detailed capacity analysis and a viability assessment. The Masterplan and its supporting evidence base, together with the capacity and viability assessments, will be made available in due course, in order to support the proposed allocation of the Former Warwickshire Police HQ site for housing at the resumed examination stage.

It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Modification or SA: Modification

Mod Number: Mod 24

Paragraph Number: Policy DS NEW3

Q7 Continued

The Alliance supports the proposed modification's approach to limit development to appropriate areas of the site within the Growth Village Envelope, as this enables the precise boundaries of developable areas to be defined at the more detailed design stages, in consultation with the District Council, Parish Council and other stakeholders.

The Alliance also broadly supports the requirements for development as listed within the policy, on the basis that that the viability of the development will be taken into account, as noted within Policy DS NEW3. In this respect, in line with paragraph 173 of the National Planning Policy Framework, it will be important to ensure that the combined effect of policy requirements, including requirements for obligations, do not render development, which can otherwise positively contribute to sustainable development within the District, unviable and, thus, undeliverable.
