The Local Plan Housing Trajectory (February 2016) identifies dwellings being delivered at Gallows Hill West from 2019/2020 onwards at a build rate of 50 dwellings per annum.

Hallam Land Management and William Davis Limited are preparing an outline planning application for submission in 2016, and allowing time for the approval of reserved matters and discharge of conditions, consider that development could commence on site in 2018/2019.

As a national housebuilder, William Davis Limited would look to commence development as soon as possible.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Housing Trajectory in Appendix A should be amended accordingly.
