Please use this form if you wish to support or object to the Proposed Modifications

This form has two parts:

- Part A – Personal Details
- Part B – Your Representations

If your comments relate to more than one proposed Modification you will need to complete a separate Part B of this form for each representation.

This form may be photocopied or alternatively extra forms can be obtained from the Council's offices or places where the Modifications have been made available (see the table below). You can also respond online using the Council's e Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

Please provide your contact details so that we can get in touch with you regarding your representation(s) during the examination period. Your comments (including contact details) cannot be treated as confidential because the Council is required to make them available for public inspection. If your address details change, please inform us in writing. You may withdraw your objection at any time by writing to Warwick District Council, address below.

All forms should be returned by 4.45pm on Friday 22 April 2016

To return this form, please deliver by hand or post to: Development Policy Manager, Development Services, Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH or [email: newlocalplan@warwickdc.gov.uk](mailto:newlocalplan@warwickdc.gov.uk)

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

As a resident of Hampton-on-the-Hill I am writing to OBJECT to the proposed modifications to the Local Plan regarding the increase in housing in Hampton Magna – references H51 and H27. The Draft Local Plan had proposed 100 additional dwellings in Hampton Magna and the 'Proposed Modification' has increased this number to 245.

Hampton Magna currently has 632 dwellings and the proposed increase will take this to 877, an increase of nearly 40%. Existing amenities are struggling to cope and will be unable to sustain such an increase. Schools and services are already overloaded and will be unable to function with the additional housing. To accommodate the additional housing will require a substantial investment in extending all amenities.

Access to Hampton Magna is by two principal roads (there is a third road which is a country lane – Ugly Bridge Road linking to Woodway and Church Lane); one is Hampton Road through Hampton-on-the-Hill and the other Old Budbrooke Road via a low headroom bridge (12 ft 6 inches) at Warwick Parkway Station. As a result heavy traffic enters along the Hampton Road through Hampton-on-the-Hill.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

This situation is exacerbated by the recently extended development at Chase Meadow to 1000 dwellings, many of whom use Hampton-on-the-Hill as a means of access to Warwick Parkway station and as a 'short cut' to the A46 and A4177. A traffic survey carried out in September 2015 showed over 18,000 vehicles a week come through Hampton-on-the-Hill. Roads in the Village already show substantial degradation with the current loading and will require much investment just to cope without the burden of the additional traffic. The quality of life in our village is already being fragmented and the additional traffic will destroy it altogether.

If additional dwellings were to be built in Hampton Magna, it would be essential to build a separate road into them from the A4189, Henley Road and factor in the costs of so doing. Such a road would not only improve the environment and traffic flow for Hampton Magna and Hampton-on-the-Hill, but could also be used by Chase Meadow residents to access the Warwick Parkway station, the A46 and A4177. Furthermore, the route of the road could be used to accommodate the additional services needed (drainage, water, electricity, telecomms.) for the new dwellings. The proposed changes are unsound and should be rejected.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

11. Declaration

I understand that all comments submitted will be considered in line with this consultation, and that my comments will be made publicly available and may be identifiable to my name/organisation.
