7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

We welcome Warwick District Council's decision to allocate a number of additional sites for housing through the Proposed Modifications document to meet an increased housing requirement of 16,776 dwellings (2011-2029). In particular, we support the housing allocations at Seven Acre Close in Bishop Tachbrook (housing site H49), land at Spring Lane in Radford Semele (housing site H52) and the allocation at Meadow House and Kingswood Farm in Kingswood (housing sites H29 and H30).

Whilst we are generally supportive of these proposed allocations, we consider that the District Council has failed to select the most appropriate strategy with regard to the Seven Acre Close site in Bishop Tachbrook (housing site H49). The Proposed Modifications document proposes to allocate the site for 30 dwellings. We consider that this allocation should be increased to 50 dwellings to make best use of this suitable housing site.

An outline planning application was submitted in February 2016 (Ref. W/16/0279) for a residential development of up to 50 dwellings on this site. The application was accompanied by an Illustrative Layout Plan and Design and Access Statement which show that a high quality development can be delivered on the site including substantial areas of public open space and landscaping in the central and northern part of the site amounting to approximately 40% of the overall site area.

The District Council has not put forward any evidence to explain why the site can only be brought forward for 30 dwellings and we therefore consider that the Local Plan is not justified in respect of this allocation.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The site allocation at Severn Acre Close in Bishop Tachbrook (housing site H49) should be increased from 30 to 50 dwellings as this represents the most appropriate strategy for the site in line with the current outline planning application. Subsequently, the overall number of dwellings on allocated sites will increase to 9,389 dwellings and the overall housing land supply to 17,597.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
