**(Please tick)**

Positively Prepared:	<input type="checkbox"/>
Justified:	<input checked="" type="checkbox"/>
Effective:	<input type="checkbox"/>
Consistent with National Policy:	<input checked="" type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Public consultation on these proposals for a sub-regional employment site has been constrained to the issues of soundness. There has been no adequate public consultation on these key proposals at a stage when the Council was open to considering changes to its proposals. The consultation process has not allowed effective engagement of interested parties. This process is seriously flawed and does not comply with the necessary procedures for preparation of a Local Plan. Lack of adequate consultation renders this element of the plan legally non-compliant.

The National Planning Policy Framework para 14 note 9 states categorically Green Belt is one of the areas where there is no presumption in favour of development. The erosion of the southern boundary of the city of Coventry and the harm to the villages of Baginton and Bubbenhall in terms of traffic, air and light pollution, noise, has not been given sufficient consideration. There are no 'very special circumstances' to justify development in this area of 'high performing Green Belt' (Joint Green Belt Study, 2015).

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Find alternative brownfield sites for employment land and capacity in various technology parks in the sub region.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Bubbenhall Parish Council feels most strongly that there was no proper consultation over the proposal to remove this vast area of 235 acres on the southern boundary of Coventry from the West Midlands Green Belt.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
