7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

- 1) Exceptional circumstances required by National Planning Policy framework to include in Green Belt are NOT met
- 2) The proposed development is to meet Coventry City Council housing need. They should use sustainable sites near to Coventry. This would reduce commuting congestion & road building
- 3) The houses will not be used by Coventry people & ∴ will not aid Coventry.
- 4) It is a dangerous precedence to take this action.
- 5) There are sites with lower green belt value that should be used in preference
- 6) The 'green lung' would be reduced to about 1 mile.
- 7) The picturesque gateway to heading would be destroyed
- 8) Farmland & wild life habitat will be lost.
- 8) An area of leisure for all residents + potential near residents will be lost.
- 9) The park & ride scheme will not work. -

Continue on a separate sheet if necessary

SEE SEPARATE SHEET.

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

1. There should be no development North of Milverton. This land should remain part of the green belt
2. The development proposed on the land north of Milverton should be transferred to sites which have lower green belt impact closer to Coventry.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

CONTINUATION of SECTION 7

REASONS WHY THE
PLAN IS NOT SOUND

COMMENT 9 CONTINUED

9 (CONTINUED)

a) There are no dedicated buses so this will reduce its use significantly

b) The site is too close to Leamington

c) Experience elsewhere suggests only in very large towns are such schemes used.

e) Only non-residents use park & ride schemes thus it will not contribute to reducing existing congestion & parking problems

10 f) Leamington is a small historic town with some narrow streets & turns. Many local houses have no ~~parking~~ off street parking. Many local residents use on street parking to park cars. In some areas local residents have significant problems.

This development will add to these problems.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

11. Declaration

I understand that all comments submitted will be considered in line with this consultation, and that my comments will be made publicly available and may be identifiable to my name/organisation.
