If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Coventry City Council's housing needs taken into account to the cost of residents on Leamington & Warwick and does not appear to demonstrate that a thorough analysis of alternative "best value" sites have been considered (closer to) or within the city of Coventry.

- loss of highly productive farming land with long established wild life habitat & erosion of areas of natural beauty for recreational, educational activities & natural habitats
- Park & Ride scheme if implemented this would no doubt increase length of time of commuter journeys & add to congestion in areas of very little infrastructure to already accommodate traffic, yet alone more

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The land North of Milverton should remain as Green Belt

The development proposed on this land should be reallocated to alternative sites which are closer to Coventry which have a lower "Green Belt" value & are capable of delivering the required housing.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
