(Please tick)

Positively Prepared:	<input type="checkbox"/>
Justified:	<input type="checkbox"/>
Effective:	<input checked="" type="checkbox"/>
Consistent with National Policy:	<input type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

The proposal to build ~~about~~ additional houses in sector H40 represents a very great proportional increase to the housing on the East side of Kenilworth. The existing roads are already very busy at rush hours. The proposed development is unsound because of the congestion it would cause.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The housing allocated to area H40 needs to be placed in an area where it can be reasonably served by existing or feasible road systems.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
