4. To which proposed Modification to the Submission Plan or the updated Sustainability Appraisal (SA) does this representation relate?

Modification or SA:	REMOVAL OF LAND NORTH OF MILVERTON FROM THE GREEN BELT

Mod. Policies Map Number:	H 44

5. Do you consider the Local Plan is :

(Please tick)

- Positively Prepared:
- Justified:
- Effective:
- Consistent with National Policy:

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

I consider that no exceptional circumstances have been proved for the land north of Milverton to be taken out of the green belt. For Coventry's housing need to be served, sites nearer to and more convenient for the city should be used - such are in fact available. Any extra travel for the people of Coventry would be totally counter-productive for them, as well as detrimental to Leamington. Also unnecessary expenditure would be incurred in road construction. Houses built in Leamington would command high prices unlikely to help Coventry's working population. The character and attractiveness to visitors of Leamington would be adversely affected. The green belt here, is of high value and an amenity for locals. The wild life of the rural agricultural area needs to be protected, also more traffic would cause more pollution.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The proposed modifications would only become sound if the land north of Milverton were to remain green belt land maintaining the 'green lung' between Leamington and Coventry. The development is more suitable on a site nearer to, and more convenient for Coventry, for example the Kingshill Lane area. This would use lower value green belt land and obviate urban sprawl.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
