7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

IF this use of green belt land is to support Coventry's housing need, I feel it is very unlikely that these houses will be bought by people from Coventry and it cannot be guaranteed that such purchasers are from Coventry. There must be suitable sites nearer to the city with lower Green Belt value. Using good farm land in this way is wrong.

The park and ride scheme will not work as there will be no dedicated buses, and there is plenty of parking in Leamington, albeit at a price.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The land north of Milverton should remain in the Green Belt and the proposed development ~~of~~ this land should be moved closer to Coventry on lower Green Belt value land.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
