Right to be Heard

If a public inquiry is held, do you wish to be heard by the Examiner at the examination?

Yes

No

If you wish to participate at an oral part of the examination, if held, please outline why you consider this to be necessary:

The CWLEP is charged by Government to support and promote the economic growth and development of its designated area.

As set out in our representation the area of the draft NP contains a major employment site vital to the future growth and development of the region.

As drafted the NP seeks to frustrate the implementation of the development and it fails to recognise the strategic importance or latest position regarding the implementation of the scheme.

If the NP does progress the CWLEP wishes to emphasise the conflict of the draft plan with the wider strategic plan framework.
