Dear Sir/Madam

I am writing concerning the proposed development on land to the east of Kenilworth. Whilst I have no objection in principle to the development I do not agree with the latest proposals where the main "Spine Road" makes use of a section of Glasshouse Lane instead of being contained within the new development, as was shown in the original scheme.

I believe that the new scheme will encourage the development of "Rat Runs" through existing residential areas and will have a significant negative affect on the quality of life in those areas affected.

Yours faithfully,
Mr A Limehouse,
