Land East of Kenilworth Development Brief

You are receiving this email either because you are a statutory consultee or you have requested that we inform you of policy updates.

Warwick District Council has published for consultation a draft Development Brief for Land East of Kenilworth.

The document is to be adopted as a Supplementary Planning Document (SPD) to be considered in the determination of planning applications in the area. It provides guidance on the development of a sustainable urban extension to the eastern side of Kenilworth on around 100 hectares of land allocated for residential (an estimated 1,400 dwellings), employment (8 hectares for B1 and B2 uses) and education uses. Further supporting infrastructure is required to meet the needs of the new community and minimise the impact of the new development.

The Development Brief is now the subject of an 8 week public consultation which commenced on 19th November 2018 and will close on 14th January 2019.

The draft East of Kenilworth Development Brief can be found here:
