Dear Philip,

### **Formal consultation: Canalside Development Plan**

I refer to the above consultation. The County Council welcomes this DPD and its objectives.

The main responsibilities of the County Council are highways and public transport, education, social services, libraries and museums, recycling/ waste sites and environment. The County Council's role is to deliver the services and facilities efficiently.

The DPD address the enhancement of the natural environment and benefits to regeneration that a joined-up Canal system can bring. Further, it will also enhance natural habitat and water quality.

### **Financial implications**

We would like to state at the outset that the County Council cannot commit to any financial implications from any proposals emanating from the DPD. Therefore, DPD should not identify capital or revenue schemes that rely of funding from the Council.

### **Public Health matters**

Public health experts have produced guidance for Councils and this is contained in Neighbourhood Development Planning for Health document. The document contains evidence and guidance for promoting healthy, active communities through

Alongside this, Warwickshire's place-based [Profiling Tool](https://apps.warwickshire.gov.uk/api/documents/WCCC-644-449) or following link <https://apps.warwickshire.gov.uk/api/documents/WCCC-644-449> can be used to understand the health and wellbeing needs of the local population.

Should you wishes to discuss the guidance document or the local health tool further please contact Gemma McKinnon on E mail address; [gemmamckinnon@warwickshire.gov.uk](mailto:gemmamckinnon@warwickshire.gov.uk) .

## **Highway matters**

We wish to be consulted on any detail proposals that would involve changes/modifications to aqueduct or bridges of the highway over canals.

Should you wish to discuss any of the above response please contact me?

Yours sincerely
