Transport

The WDC wish to mitigate against negative transport impacts – Such as additional congestion

The parish is already under great pressure from traffic which uses it as a commuter “Rat run.”

I draw the attention to this mitigation and request that the WDC together with the WCC Highways

Find measures to limit the volume of through traffic, and hoping that further development in

the Village is part of that.

Green Belt

The WDC propose to remove Hampton Magna from the Green Belt and instead draw new Green belt boundaries around the Village to allow for further development.

It is essential to preserve the rural character of Hampton on the Hill and Hampton Magna

And therefore the original intention of the green belt around the Village's should be maintained.

Development in the Village's should be removed.
