Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I am concerned that the wording in 7.22 / PO4 / page 21, B. Category land 2 villages - "land within the village envelope will be removed from the Green Belt to enable developments to take place" - is too loose & should make reference to the need to retain the rural feel of the villages.

IN RADFORD ~~SEMELE~~ for example the open fields in front of the White Lion pub, the open view of the church across the field in front of it & the open fields behind the playing fields/community centre are probably the most important elements in making Radford Semele a village and not merely a suburb.

In summary, the retention of valuable scenery-enhancing open space within village envelopes should be encouraged not discouraged.
