New Local Plan Consultation

Dear Sir,

I was unable to satisfactorily enter the Norton Lindsey Parish Council comments on the New Local Plan on your website at the above date so in order to ensure they have been received, I enclose paper versions completed in the required format. This process would have been much improved if we could have brought up a blank form in the same format from your website. The problems appear to be that when filling in the response form, the website froze and ejected me from your site.

Yours Faithfully

Vice Chairman Norton Lindsey Parish Council
